BROADBAND INDIA FORUM

(MEMBERSHIP APPLICATION FORM)

BROADBAND INDIA FORUM invites applications for membership from corporations, institutions, associations and individuals who have an interest in the broadband, the Forum is an off shoot of IPTV Society, a non profit organisation set up in 2007 by the professionals to advocate, enhance and communicate the Broadband's true potential for value addition in the interactive services such as of IPTV and Mobile TV. The Forum is to work proactively in building an effective and robust broadband eco system and to interact with the industry, policy and regulatory body in India.
